LRSD | Private School | Charter School
What would you consider your primary source for school related updates and information?

- Direct communication by teacher: 36.43%
- Direct communication by principal: 6.15%
- Direct communication by school district: 33.13%
- Info shared by local news outlets: 19.04%
- Word of mouth from friends/family: 3.75%
- Social media outlets: 0.90%
- Unsure/Refused: 0.60%
QUESTION 7

OVERALL ONLINE LEARNING EXPERIENCE

Because of the COVID-19 pandemic, schools in Arkansas were required to close their physical locations and shift to online-only instruction. As a parent or guardian of a school-aged child, with 5 being the best and 1 being the worst, how would you rate your student’s overall online learning experience over the past few months?

Bar chart showing the percentage of responses for each rating:
- 5: 15.44%
- 4: 20.39%
- 3: 33.43%
- 2: 17.39%
- 1: 11.24%
- Unsure/Refused: 2.10%
Thinking more about the recent shift to online learning, how concerned are you that the students in your household are falling behind without traditional classroom instruction?
Is there a specific subject or area that you are particularly concerned about them falling behind in?

- Math: 27.19%
- Reading: 9.22%
- Science: 1.65%
- English: 1.42%
- Foreign Language: 0.47%
- Extracurricular: 0.71%
- Other: 6.15%
- All Subjects: 6.86%
- Socialization: 5.67%
- Math & Science: 3.78%
- Math & Reading: 2.36%
- Math & English: 33.10%
- None/Unsure/Refused: 0%

QUESTION 9

FALLING BEHIND – FOLLOW UP
Do you currently have high-speed internet or “broadband” at your residence?

- **96.25%**: Yes
- **3.75%**: No

Why not?

- **52.00%**: Not affordable
- **16.00%**: Not Available
- **8.00%**: Don't need it
- **24.00%**: Other

Other
QUESTION 12 & 13

DEVICE ACCESS

Do you currently have a computer, tablet, or laptop at your residence that is suitable for students in your home to use for online learning?

- Yes: 90.25%
- No: 6.60%
- Unsure/Refused: 0.15%

Did you borrow a laptop or device from your student’s school for home use over the last few months?

- Yes: 35.08%
- No: 64.62%
- Unsure/Refused: 0.30%
Thinking about the K through 12 students in your home, in your opinion, what would you consider to be the biggest obstacle or barrier to their educational success during the coronavirus pandemic?

QUESTION 14

BIGGEST OBSTACLE – Non-White Respondents

- Food/Meals: 0.31%
- Tutoring or one-on-one teaching: 20.31%
- Internet/Broadband: 1.25%
- Access to computer/devices: 1.88%
- College preparation: 6.25%
- Workforce/career training: 5.31%
- Parental support/help: 0.31%
- Unsure/Refused: 0.63%
- Lack of Socialization: 12.50%
- Lack of Teacher Instruction: 13.13%
- Parental Teaching: 9.38%
- Student Motivation/Focus: 1.56%
- Curriculum: 4.69%
- Classroom Setting: 7.81%
- Other: 9.38%
What would you say is the number one service or resource that could be provided to you that would help with your child’s education?

- Internet: 38.22%
- Devices: 6.00%
- Internet & Devices: 9.90%
- Live Instruction/Teacher Interaction: 3.15%
- Child Supervision: 2.25%
- Online or In-home Tutoring: 19.19%
- Better Curriculum/Platform: 0.60%
- Additional Learning Resources: 3.75%
- Online Training or Teachers: 0.60%
- Training/Support for Parents/Students: 7.05%
- Better Organization/Schedule/Comm: 0.60%
- Re-Open Schools: 0.60%
- Other: 1.35%
RACIAL INEQUALITIES

In your opinion, do students of different races in Little Rock have the same opportunity to attend a great school, or do some students have an advantage due to their race?

- Same opportunity: 61.92%
- Advantage for some: 26.99%
- Unsure/Refused: 11.09%

To what degree have racial inequalities impacted the well-being of people in your household?

- Significant negative impact: 39.88%
- Somewhat negative impact: 18.44%
- Not Impacted at All: 16.04%
- Somewhat positive impact: 11.69%
- Significant positive impact: 8.40%
Thinking more broadly now, including things other than education, what would you say is the biggest obstacle or problem that your family currently faces?

- Money/Finances: 32.98%
- Race/Racism: 15.44%
- Health/Healthcare Services: 10.04%
- Food: 7.65%
- Protecting Self/Others from Coronavirus: 6.60%
- School/Education: 5.40%
- Work/Life Balance: 4.50%
- Job/Employment/Economy: 3.15%
- Social Isolation/Limitations: 0.90%
- Uncertainty about Future: 0.30%
- Other: 0.30%
Now I’m going to describe several different types of community support programs that could be offered to families in Little Rock, at no cost, to help support education. For each tell me if the program would be very helpful, somewhat helpful, not so helpful, or not helpful at all to your household.

**First:** Assistance for families who need help accessing or coordinating mental or physical healthcare services.

**Next:** Programs that provide child supervision and a safe space for students to socialize and interact with other children outside of regular school hours.
QUESTION 21 & 22

PRIORITIES: READINESS, FOOD SUPPORT

Now I’m going to describe several different types of community support programs that could be offered to families in Little Rock, at no cost, to help support education. For each tell me if the program would be very helpful, somewhat helpful, not so helpful, or not helpful at all to your household.

Next: Readiness programs to help students prepare for college or enter the workforce, including assistance with college or job applications.

Next: Food support programs to ensure students and their families have access to healthy and nutritious food both at school and at home.
Now I’m going to describe several different types of community support programs that could be offered to families in Little Rock, at no cost, to help support education. For each tell me if the program would be very helpful, somewhat helpful, not so helpful, or not helpful at all to your household.

**Next:** Additional learning opportunities such as one on one tutoring or study group programs.

**Next:** Technology assistance, including financial help for families who need broadband connectivity or devices like laptops for students in their homes.
Now I’m going to describe several different types of community support programs that could be offered to families in Little Rock, at no cost, to help support education. For each tell me if the program would be very helpful, somewhat helpful, not so helpful, or not helpful at all to your household.

**Next**: Programs targeted at helping students improve in specific subject areas such as reading or math.

**Last**: Programs to equip parents and guardians with the tools and training they need to assist their children with online learning.
Now, thinking about the programs we just discussed, please tell me which three programs would be most important to your family in order of importance. First which is the Most Important Program:
Now, thinking about the programs we just discussed, please tell me which three programs would be most important to your family in order of importance. What is the second most important program?

- Mental/Physical health programs: 6.06%
- Safe Spaces/Child Supervision: 8.35%
- College/Workforce readiness: 10.31%
- Food Support: 6.22%
- Tutoring/Study Groups: 25.86%
- Technology assistance: 12.11%
- Reading/Math: 18.00%
- Parental support: 9.49%
- Unsure/Refused: 3.60%
Now, thinking about the programs we just discussed, please tell me which three programs would be most important to your family in order of importance. What is the third most important program?

- Mental/Physical health programs: 16.30%
- Safe Spaces/Child Supervision: 15.96%
- College/Workforce readiness: 17.49%
- Food Support: 10.19%
- Tutoring/Study Groups: 7.98%
- Technology assistance: 10.53%
- Reading/Math: 7.13%

QUESTIONS 19-29

PROGRAM IMPORTANCE – by Race

- White: 80.81% Mental/Physical, 77.21% Tutoring/Study Group, 60.12% Reading/Math
- Hispanic/Latino: 82.61% Mental/Physical, 74.01% Tutoring/Study Group, 66.57% Reading/Math
- Black: 82.61% Mental/Physical, 77.98% Tutoring/Study Group, 71.43% Reading/Math
- Asian: 87.36% Mental/Physical, 88.48% Tutoring/Study Group, 78.44% Reading/Math

- White: 66.57% Safe Spaces, 52.32% Tech Assistance, 45.73% Parent Support
- Hispanic/Latino: 60.12% Safe Spaces, 25.69% Tech Assistance, 35.78% Parent Support
- Black: 61.90% Safe Spaces, 57.14% Tech Assistance, 33.33% Parent Support
- Asian: 70.26% Safe Spaces, 50.93% Tech Assistance, 69.52% Parent Support

- White: 40.18% College/Workforce, 30.89% Food Support
- Hispanic/Latino: 51.07% College/Workforce, 25.69% Food Support
- Black: 51.07% College/Workforce, 33.33% Food Support
- Asian: 50.93% College/Workforce, 50.93% Food Support
PROGRAM IMPORTANCE – TOP THREE

READING AND MATH PROGRAMS

- Programs targeting specific subjects like reading and math were the top overall (83%) and in intensity (55%). LRSD families (85%) and charter school families (90%) viewed these programs even higher.

- Subject specific programs had broad support among all races – white (78%), black (88%), Hispanic/Latino (95%) – and across all income levels ranging from 91% at the lowest income to 75% at the highest.

TUTORING AND STUDY GROUP PROGRAMS

- Tutoring and study group programs ranked as the 2nd highest overall with 81% and 2nd in intensity (54% very helpful). Support for these programs were slightly higher among LRSD families (84%) and charter school families (85%). Notably, even private school families rated tutoring or study group programs at 68% helpful.

- Along racial lines support was broad with white (74%), Hispanic/Latino (86%), and black (89%) residents finding this type of program helpful.

PARENT SUPPORT PROGRAMS

- Programs to support parents and guardians more effectively assist their students ranked as #3 overall (77%) and in intensity (52%). As with other programs, helpfulness was higher among LRSD families (82%), charter school families (79%), and black respondents (87%).

- Lower income families found these types of programs to be particularly helpful. In the three lowest income levels support notably exceeded the overall average – 94%, 86%, and 84% respectively.
